

all across the globe.

- Saturate the planet with vibrations of love, truth and Agnihotra.
- In order to ensure that man could live harmoniously with Nature *Almighty Father* along with creation gave *Vedas* the oldest manual that tells man how to function harmoniously with his planet.
- Not only can man live harmoniously with his planet but he alone can create an environment that is literally *Heaven on Earth* and where has things gone wrong.
- If we are to function harmoniously with our planet we must give back to nature to compensate for what we have taken.
- It is Agnihotra which is given in the *Vedas* as the first thing the householder must do.
- So it is man's duty to serve nature and perform Agnihotra.
- Start daily practice of Agnihotra.
- You will experience material prosperity and inner contentment.

## AGNIHOTRA

Agnihotra is a gift to humanity from ancientmost Vedic science of bioenergy, medicine, agriculture and climate engineering. Agnihotra is the process of purification of the atmosphere through the agency of fire prepared in a copper pyramid tuned to the biorhythm of sunrise/sunset. By practice of Agnihotra you will notice that tension on the mind disappears and you begin to experience peace.

*Excerpts from: The “Golden Messages” of Master Shree Vasant V. Paranjpe*

- We do not claim Agnihotra to be of any religious origin.
- It is a tool which allows us to become more understanding of the problems of others, the problems we are faced with in this world, the negativity, the air pollution.
- This itself enables us to become more full of love.
- Agnihotra is the purification referred to in the Bible.
- Agnihotra activates cells in the body and at the same time supplies the atmosphere with nutrients necessary for survival.
- Agnihotra gives you material

prosperity and a mind full of love.

- Karma, Agnihotra, gift to humankind brings great prosperity, peace and bliss to the planet.
- With daily Agnihotra practice we begin the process of self healing and assist people in breaking down barriers to success, good health and inner wisdom.
- Agnihotra smoke from the fire is medicinal it is therapeutic.
- Illness runs rampant.
- Attention.
- Agnihotra ash medicine is the savior.
- Agnihotra atmosphere and Agnihotra Ash medicines are the cure all and the end all to man’s problems.
- The mind is reshaped so nicely so delicately so effortlessly by sitting in Agnihotra atmosphere.
- Agnihotra should be performed by every member of the family.
- People should never miss Agnihotra.
- Agnihotra provides power and nutrients to the devas in carrying on the work of keeping the energy cycle of the planet in harmony.
- The importance of Agnihotra goes

beyond scientific explanation.

- Agnihotra gives a link with the *Almighty*. Then you see past the physical.
- In addition to other effects if you notice at certain intervals bursts of energy emanate from the Agnihotra pot depending on the phase of the moon and position of earth relating to the sun.
- This burst of energy thrusts nutrients and fragrance through the solar range having a profound impact on the mind.
- The brain waves of a person sitting near Agnihotra have an impact on the flame.
- Agnihotra is not only like food for the soul but it will help food to grow in soil conditions thought impossible.
- What everyone now is looking for is a way out.
- A way to become happy.
- Nobody knows what is happiness anymore.
- It is our job to show them.
- Let Agnihotra be taken to all people
