

The Vedic science of bioenergy describes sunrise sunset as follows:

“AT SUNRISE THE MANY FIRES, ELECTRICITIES, ETHERS AND MORE SUBTLE ENERGIES EMANATING FROM THE SUN EXTEND ALL THE WAY TO THE EARTH AND PRODUCE A FLOOD EFFECT AT THOSE COORDINATES WHERE THE SUN IS SAID TO RISE. IT IS AWESOME. THE FLOOD ENLIVENS AND PURIFIES EVERYTHING IN ITS PATH, DESTROYING WHAT IS IMPURE IN ITS WAKE. THIS TORRENT OF LIFE SUSTAINING ENERGIES CAUSES ALL LIFE TO REJOICE. AT SUNRISE THAT MUSIC CAN BE HEARD. THE MORNING AGNIHOTRA MANTRA IS THE ESSENCE OF THAT MUSIC. IT IS QUINTESSENTIAL SOUND OF THAT FLOOD. AT SUNSET THE FLOOD RECEDES.”

AGNIHOTRA

Agnihotra is a gift to humanity from ancient Vedic science of bioenergy, medicine, agriculture and climate engineering. Agnihotra is the process of purification of the atmosphere through the agency of fire prepared in a copper pyramid tuned to the biorhythm of sunrise/sunset. By practice of Agnihotra you will notice that tension on the mind disappears and you begin to experience peace.

FOR MORE INFORMATION:

HEAL THE ATMOSPHERE

Changes induced in the atmosphere affect PRANA, the life energy that pulsates through us and connects us with the cosmos.

PRANA and mind may be compared to two sides of the same coin and thus the effect is transposed to the realm of the mind.

Pollution in the atmosphere has put a heavy strain on human mind. The result is seen in galloping disease, rampant psychiatry and disturbed human relations. Pollution is essentially a biological concept. Effect of pollution

becomes visible in the form of disease.

Equilibrium in physical environment is necessary to induce a happy state of mind.

Misuse of technology has disturbed the biotic environment. Radioactive fallout has disturbed the reproductive cycle. Noise pollution has added to disturbance of ozone shield of the planet. Man, microbe, flora and fauna are a biological community. Any disturbance in the ecosystem disturbs the energy cycle of the planet.

Heal the atmosphere and help to reset the energy cycle. How?

AGNIHOTRA is a process from the Vedic science of bioenergy based on the gear system of nature corresponding to a circadian

rhythm of sunrise-sunset.

AGNIHOTRA is a simple process to purify the atmosphere which removes tension from the mind and induces a happy state of mind.

AGNIHOTRA gives nutrition to plant life and helps better absorption of solar energy by the water resources of the planet.

There are thousands of families in U.S. and many other countries who practice daily AGNIHOTRA.

AGNIHOTRA reduces proneness to disease.

Life becomes intolerable to many now due to extreme pollution of lithosphere, hydrosphere and atmosphere. People cannot cope with the disease, mental breakdowns, confusion. Mental hospitals and psychiatry clinics are

overworked. AGNIHOTRA can save them.

AGNIHOTRA is good for skin, for the body, for the mind. This is the experience of thousands practicing AGNIHOTRA around the world.

AGNIHOTRA, IF PRACTICED REGULARLY, YIELDS GREAT HEALING POWER TO THE ATMOSPHERE AS WELL AS TO THE INDIVIDUAL. AGNIHOTRA IS MEDICINAL. It is a material aid to happy life.

Medicines are prepared in Germany from AGNIHOTRA ash under the pharmaceutical name "AGNIHOTRA USTA" paste, cream, ointment, capsules, suppositories, eye lotion, etc.

A Research Center in Germany studies the effect of Agnihotra.
