AGNIHOTRA ASH MEDICINES

The healing power of the Agnihotra Homa process is locked into the residual ash, and can be therapeutically used in many ways by plant life, animals, and humans. People all over the planet have and are experiencing the medicinal powers of Agnihotra Ash Medicines. Agnihotra ash is also used to heal, strengthen, and protect plants by adding Agnihotra Ash to the soil and by making Agnihotra Ash plant food.

PRODUCING AGNIHOTRA MEDICINES

To produce Agnihotra medicines, proper regular performance of Agnihotra according to the disciplines is a must. This is to be done to insure the unique potency which lies within the ashes of the Agnihotra fire. This ash is the basic substance necessary for preparation of all Agnihotra medicines.

The ashes of Agnihotra fire have the pharmaceutical name 'Agnihotra Usta" (Latin: Usta-burnt). To use Agnihotra Usta pharmaceutically, powder the ash and sift it through a fine mesh. The result is Agnihotra powder.

HOMA ORGANIC FARMING

HOMA ORGANIC FARMING is practical hands on knowledge given to The Planet to counter all the problems facing farming today in such environmentally polluted conditions. Plant disease, acid rain, mineral depletion of soil, impure water supply, insect infestation, and the disappearance of the farmer's best friends the earthworm and honey bees are just some of the existing problems that can be eradicated by practice of HOMA ORGANIC FARMING. Even drought and other unfavorable extreme weather conditions can be effected by Weather Engineering YAJNYAS (HOMAS) as given in ATHARVA VEDA.

As pollution of the environment air, water, and soil gradually makes it nearly impossible to grow food and as the world food supply decreases we will be forced to find a solution or perish from lack of food. HOMA ORGANIC FARMING IS THAT SOLUTION.

"THIS KNOWLEDGE CAN BE USED BENEFICIALLY TO GROW CROPS WITHOUT CHEMICALS AND PESTICIDES. THIS IS HOMA THERAPY ORGANIC FARMING. The Process of AGNIHOTRA PYRAMID FIRE is the basic HOMA. AGNIHOTRA is a must to sustain life now."

HOMA ORGANIC FARMING has a tremendous beneficial effect on the following:
PLANT STRUCTURE AND PHYSIOLOGY
PLANT FUNCTIONS
CROP YIELD
SOIL
REPRODUCTION

THE ANCIENT SCIENCE OF HEALING

THE RELIEF CENTER

Homa Therapy is the RELIEF CENTER for the ills of this planet, and lets face it, we all need relief from something. Tension, stress, mental and physical ailments abound in today's fast pace, fast food society. Not only are people victim but also animals, plant life, soil, rain, the food we eat, in fact all of Mother Earth.

The question: What is Homa Therapy? is answered in the first chapter of the book "HOMA THERAPY Our Last Chance" by Vasant V. Paranjpe.

HOMA is a Sanskrit word used here synonymously with YAJNYA. YAJNYA is the technical term from the Vedic science of bioenergy denoting the process of removing the toxic conditions of the atmosphere through the agency of fire. This means healing and purifying of the atmosphere with fire as the medium. You heal the atmosphere and the healed atmosphere heals you. This is the central idea in HOMA Therapy. The words 'Heal the atmosphere' have widespread ramifications not yet investigated by modern science.

YAJNYA replenishes the nutrients that pollutions rob from our environment. The molecular change in the fission and fusion of atoms causes properties of elements to change in atomic structure and weight. The rotation of electrons and neutrons varies speeds. If proper insight is given to scientists we can show them

how this knowledge can be used beneficially in some areas when looked at from the perspective of YAJNYA.

HOMA Therapy is totally a revealed science. It is as old as creation. In the course of time this knowledge was lost but it is now being resuscitated to give people guidance about how to correct the polluted conditions of the planet we find ourselves in today. HOMA Therapy comes from VEDAS, the ancientmost body of knowledge known to man.

When things go wrong due to pollution, the elements of nature begin to change. The cohesion of atoms, fusion of atoms begins in a different way as it is described in ATHARVA VEDA. It is stated that if atoms begin refusion and fission in an improper way, a civilization could be destroyed. If YAJNYA (HOMA) is performed when this takes place it helps mold things harmoniously and a new, beneficial element is produced. Notice we do not say created.

Nothing is created, only reshaped. *This knowledge is HOMA Therapy.*

This knowledge can be used in several areas. The following list is illustrative and not exhaustive.

- Psychotherapy
- Agriculture
- Environment
- Medicine
- Biogenetics

HOMAS heal all that needs to be healed from the bowels of the earth to the Solar Range and the Ozone Layer. The planet is telling us and will continue to tell us in very harsh ways that it needs to be healed. HOMA Therapy is the science given to accomplish this gigantic task, and AGNIHOTRA is the basic HOMA.

This knowledge of the science of HOMA Therapy is now being offered nationally and internationally. Demonstrations, classes, lectures, DVD's, and CD's on HOMA Therapy medicinal and HOMA Therapy agricultural applications are available.

Let not your religious beliefs get in the way. It has been stated: "You may worship in a Mosque or Synagogue, in a forest or in a humble grass hut. You may worship in a palace or under a box on the city street. WE RECOGNIZE NO RACIAL OR RELIGIOUS BOUNDARIES, IN LOVE NO BOUNDARIES EXIST, NO LIMITATIONS. There is a universality to this pyramid fire which goes beyond all limitations of race, religions, culture. One need not be a Christian, Hindu, Muslim, Buddhist, Jewish. One can be all these things or none of them. One need not be on any particular spiritual path to practice this Fire. This is a fire which is required by the planet to save itself."

You can be assured that where ever this science of HOMA Therapy is practiced regardless of beliefs, disbeliefs, superstitions or whatever, that that place will surely become a **RELIEF CENTER.** Pollution has been described as a 'Ticking Time Bomb' let us with the science of HOMA Therapy disengage this bomb and return Planet Earth to it's Pristine Glory.

AGNIHOTRA

Agnihotra is a gift to humanity from ancientmost Vedic sciences of bioenergy, medicine, agriculture and climate engineering. Agnihotra is the process of purification of the atmosphere through the agency of fire prepared in a copper pyramid tuned to the biorhythm of sunrise/ sunset. By practice of Agnihotra you will notice that tension on the mind disappears and you begin to experience peace. The mind is reshaped so nicely, so delicately, so effortlessly by sitting in Agnihotra atmosphere.

Agnihotra must be performed at the exact timings of sunrise and sunset.
